Dear Mr. Turner,

Arlington County's Department of Parks and Recreation (DPR) and the Arlington Beautification Committee would like to recognize the attractive landscaping at **The Residences at Lyon Hill Condominiums** (2801 Lee Highway, in Arlington). The Committee has a strong interest in encouraging the creation and maintenance of attractive landscaping to enhance the appeal of our public area views and streetscapes. We believe that this is good public policy and good public relations for commercial and other entities as well. We congratulate you and your colleagues for your contribution in helping to make our county a better place to see and to be. You not only have helped to make your surroundings more attractive, but have helped to make Arlington the special community that it is.

We would like to acknowledge the stewardship of your property by awarding a certificate of appreciation. The 2013 Landscape Recognition Awards will be presented at a recessed meeting of the Arlington County Board on **Tuesday, September 24, beginning at 3:00 p.m.** We request you, or whoever will represent your property, join us to receive your certificate from Arlington County Board Chair, Mr. Walter Tejada. Please kindly notify Jamie Bartalon, Landscape and Forestry Supervisor, with the name of the person who will be accepting your award (and his or her title) by **no later than Monday, September 9**. Mr. Bartalon can be reached by telephone at 703-228-7747, or by e-mail at jbartalon@arlingtonva.us. Others associated with your property are also welcome to be part of the audience.

The award session will be held in the County Board Room (#307) at #1 Courthouse Plaza, 2100 Clarendon Boulevard. Please plan to be a few minutes early so that we can meet a few minutes before the ceremony begins. If you have questions, or if something should arise to prevent your attendance, kindly contact Mr. Bartalon at the phone number or e-mail address listed above.

We look forward to seeing you.

Sincerely yours,

A handwritten signature in cursive script that reads "Lola E. Rogers".
